Joint Meeting: American Petroleum Institute – Houston Chapter and the Society of Petroleum Engineers-Gulf Coast Section

General Meeting Notice – December 14, 2017

11:30 a.m. | The Petroleum Club, Total Plaza, 35th Floor, 1201 Louisiana St., Houston, TX 77002

Guest Speaker: Jan Willem Van Hogerwou
General Manager North America, Damen Shipyards Group

Topic:
What Does the Future of the Shipbuilding Industry Look Like...

Why is the US maritime world so different from the rest of the world? How can Damen and her American based partners be successful in such a difficult and depressed shipbuilding market? And what effect does the Oil & Gas Industry have on the US shipbuilding industry? Where will shipbuilding be 10 or 20 years from now? Mr. van Hogerwou will shed light on a fascinating, but complicated, industry that captures the imagination of many.
