**American Petroleum Institute – Houston Chapter
General Meeting Notice + Exhibition – November 13th, 2018**

10:30 a.m. at the Petroleum Club, Total Plaza, 35th Floor, 1201 Louisiana St., Houston, TX 77002

**Guest Speaker: Former Texas
Railroad Commissioner David Porter
“Beyond the Boom: Assessing Current Threats to the
Energy Industry”**

David J. Porter was elected to serve a six-year term as Texas Railroad Commissioner in November 2010. Since leaving the commission in 2017, Porter has served as President of Porter Production & Consulting Inc., where he manages a portfolio of oil and gas interests and consults with energy companies. He also founded the 98th Meridian Foundation, a nonprofit which focuses on issues related to energy, natural resources and rural communities.

During his tenure as Commissioner, Porter also represented Texas at the Interstate Oil and Gas Compact Commission, the Interstate Mining Compact Commission and served as an advisory board member for the Texas Journal of Oil, Gas, and Energy Law. He is also known for creating the Eagle Ford Shale Task Force, the first of its kind at the Texas Railroad Commission, to establish a forum that will bring the community together and foster dialogue regarding drilling activities in the Eagle Ford Shale.

In recognition of his foresight and leadership, Commissioner Porter was named “Man of the Year” by the industry publication, The Oil & Gas Year, Eagle Ford, Texas 2013.

Commissioner Porter was born and raised in Fort Lewis, Washington, where his father served in the US Army. He graduated magna cum laude from Harding University with a bachelor’s degree in accounting and moved to Midland, TX in 1981 where he built a successful small business around his CPA practice.
