The Houston Chapter of the American Petroleum Institute is pleased to announce the **18th Annual Three Gun Challenge**. This year's event will benefit the endowed engineering scholarships at five Texas universities as well as the Offshore Energy Center, The Houston Regional Science Fair, and other educational projects.

The event will take place, rain or shine, on **Friday, March 22rd at KELLC Range (Area 59)** in Rosenberg, Texas. First flight registration starts at 6:45 am and competition starts at 8:00 am. Second flight registration starts at 11:30 am and competition starts at 1:00 pm. **The Mandatory Safety Briefing will start 30 minutes before each competition start time** and you must attend the briefing to participate in the event.

The Three Gun Challenge will include fun and challenging stages shot with a semi-auto pistol, shotgun, and rifle. All participants must provide their own firearms and ammunition. Additional details on the event format and complete rules will be provided to event registrants.

The event will be limited to forty (40) 5-person teams and applications will be accepted in the order received by post mark. The cost per team is \$1,200 which includes team entry, one prize gun per team and food. **All team TBA's must be turned in by March 8th.** Golf cart rentals are not available at this range. You can bring your own golf cart or bring a wagon/cart to carry your ammo and gear.

All participants must be members of the API Houston Chapter and can join on the day of the event or in advance by visiting the API Houston Chapter website at www.api-houston.org

This event will sell out so act fast!
