Walter Oil & Gas

Program by the American Petroleum Institute, Houston Chapters
General Meeting Notice – November 10th, 2020

11 a.m. at the Petroleum Club, Total Plaza, 35th Floor, 1201 Louisiana St., Houston, TX 77002

"OGGN & API HOUSTON CHAPTER PRESENTS:
The Opening of the Deep Kavango Basin Project ReconAfrica"

A beacon of hope and success in this crazy 2020 year, come join one of the inventors of modern day fracking, one of the top geologist in the world, and a team of financial and E&P experts as we explore the next Texas Permian. Learn what they found, why they are drilling when nobody else is and why the Oil and Gas industry will weather this storm and come out ahead.

And for the first time in the history of API Houston, this luncheon held at the Petroleum club will also be live-streamed by OGGN to the world, and to their global audiences of over 1.3 million.

Seats for the luncheon are extremely limited, and this event will sell out.
