Steven Benoit
Steel Service Oilfield

Tim McGarity
NOV Rig Solutions

Andy Espinosa

Patrick Sullivan
Newmans Valve

Albert Lew
*Continental Wire Cloth
Senior Advisor*

Get ready to 3Gun! The event will take place, rain or shine, on **Friday, September 10th** at **The Ranch Tx** in Eagle Lake, Texas. For those that were able to stick it out for 2020, you know this venue is made for 3 Gun! Check out www.theranchtxclub.com

This September finds us in a very different world than last September. We have beaten back Covid, the price of oil has almost doubled, and you should be able to find ammo... and the price has more than doubled. Ok, it isn't all good news.

2021 marks the 20th year we have assembled to have fun and raise money to support the API Houston Chapter and help fund scholarships. We hope all our teams from last year will again join us and that we will see the return of those teams that had to withdraw last year.

Additional details of the courses of fire and round count will be sent out on or about September 1st. Once again, plan on six stages. Round count and stages will be somewhat similar to last year. If there is something you think we should add or do different, don't be afraid to share your thoughts with us, this is YOUR match.

Once we know more about food sponsors, we will update everyone with that information. Golf cart rentals are not available at this range. You can bring your own golf cart/ATV or bring a wagon/cart to carry your ammo and gear.

First flight registration starts at 7:15 am and competition starts at 8:30 am. Second flight registration starts at 12 noon and competition starts at 1:30 pm. **The Mandatory Safety Briefing will start 30 minutes before each competition start time** and you must attend the briefing to participate in the event.

Oh, If you want to participate but don't have a team, let us know! Until we fill up, we will take individual entrants. No 3 Gunner Left Behind!

As a reminder, all participants must be members of the API Houston Chapter and can join on the day of the event or in advance by visiting the API Houston Chapter website at www.api-houston.org
