Consultants*

**Tim Riggs**  
*Dynamic Well Services*

**Patrick Sullivan**  
*DistributionNOW*

**Albert Lew**  
*Continental Wire Cloth  
Senior Advisor*

This 21st Annual 3 Gun Challenge is only a couple of months away. The event will take place, rain or shine, on **Friday, September 23rd** at **The Ranch Tx** in Eagle Lake, Texas. This is the venue that hosted our event last year! Check out [www.theranchtxclub.com](http://www.theranchtxclub.com) if you are not already familiar with The Ranch Tx.

2022 marks the 21st year of coming together to have fun and raise money to support the Houston Chapter API and its scholarship programs. We hope ALL our teams from last year will not just join us again but step-up and become sponsors.

Additional details of the courses of fire and round count will be sent out on or about September 1st. **Once again, plan on six stages combining rifle, pistol and shotgun.** Stages will be somewhat similar to last year; however, if there is something you think we should add or do different, share your thoughts with us! This is YOUR match.

Once we know more about food sponsors, we will update everyone with that information. Golf cart rentals are not available at this venue. You can bring your own golf cart/ATV to carry your ammo and gear.

First flight registration starts at 7:15 am and competition starts at 8:30 am. Second flight registration starts at 12 noon and competition starts at 1:30 pm. **The Mandatory Safety Briefing will start 30 minutes before each flight start time** and you must attend the briefing to participate in the event. **Teams will be assigned to the First flight based solely on the date and time the Team Entry Form arrives at the API office.**

Oh, If you want to participate but don't have a team, let us know! Until we fill up, we will take individual entrants. No 3 Gunner Left Behind!

As a reminder, all participants must be members of the API Houston Chapter. While you can join on the day of the event, things go much smoother if you sign up or renew at least 2 days in advance by visiting the API Houston Chapter website at [www.api-houston.org](http://www.api-houston.org)

We look forward to seeing you and to making this year one of our best.
