

COOKING SPONSORSHIP FORM

21st Annual API Houston 3 Gun Challenge
Friday September 23, 2022

The Ranch Tx, 1021 Old Altair Rd. Eagle Lake, TX 77434

Cooking Sponsors:

No monetary commitment is required but you must provide food and drinks during the event. From year-to-year it varies but we typically have 150 to 200 participants. Some years we have more than one cooking sponsor. As we get closer to the event, we will update you on shooter count and number of food providers.

We can provide electricity but not potable water. Setup can occur on that morning or Thursday September 22nd with advance arrangement. This is a full day event with the 1st flight of shooters beginning at 8 a.m. and the 2nd flight going out around noon, competitors finish around 6:00 p.m. While the greatest need is for food at lunch, sponsors who can stay into the afternoon to provide food and drinks are greatly appreciated. API will have access to tables and tents for the shooters to rest under while dining.

We will acknowledge our Cooking Sponsors during each presentation session with the participants.

Planned Contribution: Please briefly describe what you intend to provide and any special setup requirements you may have.

Name: _____

Company: _____

Address: _____

City, State, Zip: _____

Phone: _____ E-Mail: _____
